Grant Report: Tulalip Tribes Charitable Contributions

December 28, 2017

Date of Grant: May 15, 2017
Amount of Grant: ██████████
Purpose of Grant: More sustainable community

How the grant was utilized: This grant supported the following women and minorities, the cost of training and job placement into high paying tech jobs. All these women were in desperate need of jobs to provide support for themselves and their family. Through this sponsorship they were able to receive free training at Kal Academy and land in high paying jobs in less than five months.

1. **Lisa Lynn Stuart:** Took the following courses at Kal Academy – Introduction to Programming ██████████, Technical Interview preparation ██████████ and Data Science ██████████. Now working as Data Analyst at Costco.

2. **Joy Chepkwony:** Took the following courses at Kal Academy – Technical Interview Preparation ██████████ and Project Innovation Lab ██████████. Now working as a Software Engineer Intern at Microsoft Corporation.

3. **Alexandra Flores**: Took the following courses at Kal Academy – Technical Interview Preparation [REDACTED] and Data Science [REDACTED]. Now a Software Engineer Intern at Microsoft.

4. **Huey Juan Chong**: Took the following courses at Kal Academy – Introduction to programming [REDACTED], and Technical Interview Preparation [REDACTED]. Now a full time front end engineer at a local Seattle company.

5. **Seblewongel Alemneh**: Currently enrolled in Kal Academy courses in pursuit of a job early 2018. She is attending Introduction to programming (██████) and Business Intelligence courses ██████

Thank you again for your financial contribution to empower more women into technology.

Sincerely,

Kalpana Viswanathan, CEO & Principal
