Report Code: Q2 2025 14.2

Dear Ms. Sheldon,

Thank you for the [redacted] in financial support that the Tulalip Tribes Charitable Contributions Tulalip Cares Fund provided to Acres of Diamonds in September 2025. Our primary mission is to break the cycle of homelessness by offering a safe environment where mothers can heal, grow, and rebuild their lives.

We have enclosed details of what your support has helped us to accomplish, which include:

- Our most recent quarterly newsletter.
- Our impact report, including the number of those receiving services.
- A photo of a Mother graduating from our program in May 2026.
- A photo of the children in our program creating a heart shape with the new shoes they had just received through an Acres Shoe Drive.

You can also view our impact on our website at https://acresofdiamonds.org/impact/.

At Acres of Diamonds, we are committed to creating lasting change for women and their children facing homelessness through a caring community. Thank you for your support and for being a part of that caring community through your partnership over the past year.

Sincerely,

Dianna Plasencia, Community Engagement Project Manager

Hope Restored

"Now I am about to start a new season~ I feel like I was a bird who fell out of my nest and hurt my wing. I lost my home and my flock. But landed in this crazy nest of other birds who took me in and cared for me. It was hard and I had to live by their rules (as it was their nest) but now my wing is mended and the next season approaches. I know I'm getting pushed from this safety nest but its purpose is so I can soar as God intended--not to fall to the ground like the lies in my head keep telling me.

So, thank you for this time to mend and heal. There are many who did not get this chance."

Independence for Jackie

When moms arrive at Acres, they're taking a brave step toward changing not just their own lives, but their children's too. Thank you for walking alongside them in that journey. We're so proud of Jackie for taking this next step and purchasing a vehicle, and we're incredibly grateful for our amazing partners who help make moments like this possible - including Auto Angels. Having reliable transportation brings stability and is a big step toward independence.

Three Key Programs

Uplifting Moms

- Each mom works one-on-one with a case manager, counselor, budget coach, and support team as she strives to rebuild her and her children's lives.
- The structured living plan, on-site counseling, parenting support, and life-skills trainings help moms establish their lives with purpose, confidence, and support.

Children's Services

- The children's program offers stability, trauma-informed care, mentoring, and helps develop positive social skills.
- Kids engage in activities such as play therapy and interventions that promote safety, trust, and respect.
- Educational support helps children catch up in school and increase their ability to be independent, thriving adults in the future - breaking the cycle of homelessness.

Beyond Acres

- An Acres mom graduates when she's developed family routines, skills for conflict resolution, and is financially stable.
- Graduates receive support, mentoring, and guidance as they build healthy relationships in their communities.
- Beyond Acres not only allows us to offer assistance when a crisis happens, but through continuing our relationship with alumni, we can also help prevent a future crisis from happening.

THANK YOU - your generosity is transforming lives, one at a time!

You Helped Jayden Ace Her Most Challenging Class

Because of you, Jayden had the support she needed to stay in school and build a better life for her son.

After leaving an abusive marriage, Jayden packed up what little she could and left with her toddler. She was determined to keep her son safe, but starting over meant facing the frightening reality of homelessness.

What Jayden needed most was a safe place to stay while she studied and worked with our counselors to heal and plan her next step.

That support, space, and freedom are exactly what your generosity provided.

Knowing she was safe at Acres, Jayden could focus on her goals instead of worrying about where her family would sleep each night.

And Jayden made the most of the

FROM THE CEO

Jennifer Paddock
Chief Executive Officer

Thank you for choosing to help local moms and kids experiencing homelessness.

Your generosity helped them heal from trauma and begin rewriting their stories with the care and support of a loving community.

In this newsletter, you'll meet courageous women who left their past behind and found a safe place to start over at Acres.

Because of you, they received that critical first night of safety, plus the counseling, warm meals, healthcare, and education needed to build a new life.

I'm excited for you to read this newsletter and see the power of your gift at work.

Thank you for sharing your blessings and supporting the women at Acres.

YOU are changing their lives, and their children's lives, for the better!

Many blessings,

Jennifer Paddock

Lissa Asked for Help, and YOU Answered

Thanks to you, Lissa celebrated one year of sobriety and moved into her own apartment.

When Lissa came to Acres, she knew something had to change.

Like many people facing overwhelming challenges, Lissa had struggled with alcohol and worried about the impact it was having on her life and her relationship with her 10-year-old daughter. More than anything, she wanted to be the mom her daughter deserved.

But she also knew she couldn't do it alone.

Lissa made the brave decision to ask for help, and you were there for her when she needed it most.

You made sure Lissa could come to Acres, where she had a safe, encouraging community, so she could focus on rebuilding her life.

Today, Lissa is celebrating one full year of sobriety.

She's also beginning to see herself in a new light. With growing confidence, Lissa has learned practical skills like steadily building her savings and planning for the future.

Recently, she reached a milestone she once only dreamed about: moving into her own apartment.

Now she and her daughter are enjoying the simple moments together again. One of Lissa's favorite recent memories was a special mom-and-daughter day baking cookies in their new home.

Lissa and her daughter have their own apartment, thanks to you!

You Helped Ami Leave Homelessness Behind

Your generous support that gave Ami and her sons the safe place they desperately needed.

Like so many local moms we see who are experiencing homelessness, Ami was doing everything she could to keep her children safe while facing incredibly difficult circumstances.

Ami and her two sons had been moving from shelter to shelter with nowhere stable to call home. On some nights, they slept in their car. Other times, they relied on the kindness of friends who let them stay on a couch for a little while.

This wasn't the life Ami wanted for her boys, but without steady housing or support, it was hard to see a clear way forward.

Thankfully, Ami found Acres, and it was your generous support that gave Ami and her sons the safe place they desperately needed.

Recently, Ami found a job that could provide the steady income she had been hoping for. But there was still one big challenge: her new job had a long commute, and no reliable way to get there.

Determined to keep moving forward, you helped Ami achieve an important goal: She recently earned her driver's license.

She's been saving up and this month, she will be getting a car! She'll have reliable transportation so she can keep her job.

You made this achievement possible for Ami and other moms like her. Thank you for giving so generously to support them!

Because of you, Ami is moving forward, with a job, a license, and soon a car.

Jayden's story, continued from cover...

opportunity you gave her because **she recently earned an A in her most challenging course!**

As you can imagine, Jayden's confidence grew, so she started working with staff to put together a resume and prepare for the next step in her journey. **Now she already has job interviews lined up and is feeling very hopeful!**

Meanwhile, her son is settling into daycare where he is safe, cared for, and thriving.

Because of you, Jayden and other courageous moms like her had the safety and support they needed to build financial independence and create a better life for their children.

THANK YOU for caring about Jayden and her son when they needed it most!

A Local Mom and Her Kids Need Your Help Today!

Your gift is needed to help a local mom and her kids who are facing homelessness right now.

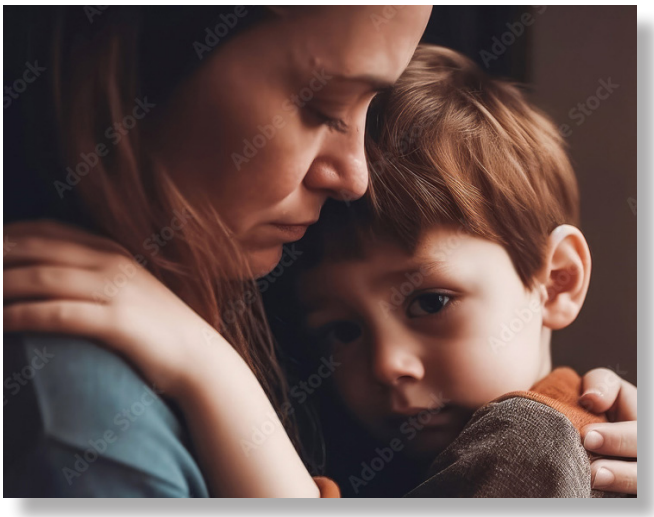

Right now, more local moms are reaching out to Acres for help.

Every week, we hear from women who are doing everything they can to keep their children safe. Many have just made the incredibly brave decision to leave an abusive relationship. Others have been bouncing from place to place, unsure where their family will sleep next, or where their next meal will come from.

A mom is looking for a safe place to stay.

Will you send a gift today to help welcome the next mom who calls Acres asking for help?

Your generosity will provide her and her children with a safe place to stay, nourishing meals, and the compassionate care she needs to begin healing and rebuilding her life.

Will you send a special gift to help a local mom and her kids who are experiencing homelessness?

She can't do this alone.

Please send your most generous gift and help a local mom find the safe housing, care, and support she needs today.
