For the 2025-2026 Academic School Year

Arlington Dollars for Scholars has Awarded:

\$142,910 in Scholarships to 92 High School Students

&

\$23,000 in Scholarships to 14 College Students

Dear ADFS College Scholars,

Thank you so much for selecting me to receive your scholarship! This money is absolutely going to help my college journey! I am entering my senior year at UW studying molecular biology and linguistics. I am dedicated to research and medicine

and I hope to make the world a healthier place through my research! I was born with a heart defect so I have always been motivated to help those in need, especially in underrepresented families where they don't have access to English. I hope to use this money to help me achieve this goal. Thank so much!!
