Dear Ms. Sheldon,

On behalf of AtWork!'s staff, volunteers, and clients, I send my sincere thanks to the Tulalip Tribes Charitable Contributions for your generous contribution of [REDACTED] in spring 2016. With your meaningful support, we can provide customized job training support for hundreds of people with disabilities to help build sustainable lifestyles and greater quality of life for all.

Your partnership with AtWork! has made a significant impact in the lives of our clients through our three programs. Specifically, we have served 260 individuals through Employment Services, which includes 51 new job placements. Through the School-to-Work program, we provide job preparation mentorship to 38 students, helping them create a successful transition from the academic setting into the workforce. Additionally, we supported 37 senior citizens through the Community Inclusion program, where participants had 5,148 hours of recreational activity and social involvement. These service numbers are similar to previous years, demonstrating our consistent and reliable support for individuals with disabilities seeking self-sufficiency and personal fulfillment.

Thank you again for your gift to AtWork!. Please do not hesitate to contact with me with further questions regarding the impact of your donation.

Sincerely,

Dennis Maughan
