Dear Ms. Sheldon:

Thank you for your support! Your contribution to Bastyr University strengthens our ability to provide science-based natural health education, research and teaching clinical services.

You help to make all of our great work possible. This fall we were able to expand the clinic space and build a new nutrition kitchen in San Diego. At our Kenmore campus, we have filled the student village for the first time and introduced a new Master of Science in Ayurvedic Sciences.

We look forward to recognizing you in our next Annual Report as Tulalip Tribes Charitable Fund.

Sincerely,

Ken Shook
