Hello,

I have attached a [video](#) compilation and picture of our program for your audit purposes. We meet every Sunday from 5pm to 7 pm. We have 6 committed players coming every week. All different age groups and skill levels. Our goal is to double that number by the end of this year. We thank you for supporting our youth and believing our program makes a difference.

You can read about our program here : <https://www.thebloodstain.org/kingdombasketball>
