We are deeply grateful for Tulalip Tribes' generous [REDACTED] gift to Bridge, which played a pivotal role in the success of our 2024 Building Bridges Dinner and Auction. Thanks to your support, we were able to raise an impressive \$425,000+ from our guests during the event this past September.

These funds are essential as we prepare for our exciting move to a larger space in Redmond, scheduled for February 1, 2025. This transition will allow us to expand our reach and services, significantly enhancing our ability to support individuals with physical and developmental disabilities.

Because of your partnership, we are on track to serve over 3,000 people by the end of this year, making a meaningful impact on the lives of those who need it most.

Thank you for being a vital part of our mission of alleviating isolation for people with disabilities through medical equipment provision, guardianship services and social events and fellowship. We look forward to sharing more updates with you as we continue to grow and serve our community.

With so much appreciation and gratitude,  
Brenne
