Tulalip Charitable Contributions Funds Distribution Report

NAME OF AGENCY: Building Youth Through Music

ADDRESS: P.O. Box 1722, Tacoma, WA 98401

CONTACT: (253) 627-1899; <https://www.wayoutkids.org>

GENERAL GOALS: WayOut Kids uses music and media to engaged children through edu-taining (education + entertaining) programs that improve their life choices, overall health and long term success.

SPECIFIC USE FOR THIS AWARD:

The support received through your organization has assisted us in implementing an enviro after school workshop that has provided tools for parents, educators, and other agencies to use while educating youth about the importance of protecting our environment and reducing polluted runoff. Your support has also been instrumental in attracting financial and in-kind contributions from other organizations. Our goal to impact the lives of children throughout Washington State is one step closer because of you.

For more information please read the attached report from Building Youth Through Music.

Q1 2016 14.2

Hello Marilyn Sheldon,

Building Youth Through Music DBA WayOut Kids would like to thank Tulalip Tribes Charitable Contributions for its generous support towards our Rodney Goes Green program. Through your support we've developed a great educational program which received national recognition from Discovery Education and was uploaded into their digital platform reaching three million children in fifty countries. The program can also be accessed through Pierce & King County local libraries, select schools and several non-profit organizations.

The support received through your organization has assisted us in implementing an enviro after school workshop that has provided tools for parents, educators, and other agencies to use while educating youth about the importance of protecting our environment and reducing polluted runoff. Your support has also been instrumental in attracting financial and in-kind contributions from other organizations. Our goal to impact the lives of children throughout Washington State is one step closer because of you.

The enclosed is an assortment of pictures featuring our team running the program at Firgrove Elementary in Puyallup. Thank you.

Sincerely,

F. Jerome Davis "JD"
