For more information please read the attached report from Camp Beausite Northwest.

Dear Ms. Sheldon and Tulalip Tribes Council,

It is my pleasure to report the outcomes and good works made possible by your generous donation in November 2016. With the help of your funding last year, Camp Beausite NW was able to:

*Serve another 20 campers of all ages with special needs from throughout Western Washington counties, thanks to brand new heated bunkhouses that enabled us to add an additional week of summer camp.

*Serve 65 additional campers with new three-day (two-night) "mini" camps in March, September and October.

*Rent our facilities to mission-related entities that also serve vulnerable populations, students, and veterans.

Attached are a few photographs of activities and programs that you helped make possible. Please link to our website at www.campbeausitenw.org, and let us know if you have any questions.

Most sincerely,

--
