Re: Charitable Contributions Fund Q4 2018 14.2

The following information is provided as our summer report for our Charitable Contributions Funding for this year:

146 children were reached with the gospel.
16 children accepted Christ as their Savior.
18 attend church. Regularly.

The information regarding 5-Day Clubs can be found on cefofwa.com.

Some of these youth who have attended CEF events have developed a commitment to help children and become more involved in ministry and community events to help children and their families in the mission field.

Your generous support has helped make CEF effective in our community and for that, we are very thankful. Many lives have been changed and improved because of your contributions to Child Evangelism Fellowship in Snohomish County. May God bless you abundantly for your faithful support of this ministry.

Thank you for your partnership.

Sincerely,

Lynn Gressel
