Dear Ms. Sheldon and Tulalip Tribes Council,

Re: Charitable contribution to Christmas House

This letter of sincere thanks comes to you on behalf of our entire Board of Directors for the generous donation of [REDACTED] to Christmas House from the **TULALIP TRIBES CHARITABLE CONTRIBUTIONS FUND**. Your donation was used to purchase Christmas gifts for the low-income children of Snohomish County.

This past December we served over 6,000 youngsters from approximately 2,000 families. We distributed 38,600 gifts and didn't close our doors until the last visitor who asked for help was served.

We couldn't be successful without the help of more 700 volunteers who took their time to help us set up the store, help the clients and close and pack away for the following year. We also couldn't do it without generous donors like **THE TULALIP TRIBES** who support us with your funding. Your thoughtfulness helps us make the holidays brighter for many children, giving them reasons to smile, and your continued support validates our efforts. We are truly grateful. Thank you so very much!

Sincerely,

Linda Averill

Christmas House is a 501(c)(3) non-profit charitable organization – 91-1177244

Two tables display the large gift toys for boys and girls ages 4 to 8.

Volunteers are ready to bag every shopper's gifts.

Shoppers are able to select a large gift, small gift, stocking stuffer, stuffed animal, book and a hat or gloves for each of their children.

A shopper may choose 1 item from the Family Table. Items are varied, from gift wrap & ribbon and Christmas trees to dishes, towels and games.

A volunteer fills in the spaces to complete another table of gifts.

At 8AM each morning volunteers are given an orientation. They are provided with a sample “shopper sheet”. They learn how to read the sheet, know which tables they take their shopper to visit and become familiar with the gifts on each table so they are able to help their shoppers.

As truckloads of items arrive, volunteers unload the trucks and bring them into the store.

Tarps are laid and taped to protect the gym floor.

The Boys & Girls club gym is turned into the Christmas House store. Tarp walls go up, display tables are put together and holiday decorations added.
