On behalf of The DEA Educational Foundation and the children of The DEA Youth Dance Program, we thank you for your generous contribution to offer programming at Pioneer Elementary in Auburn, WA. With your assistance, The DEA Educational Foundation continues to provide the outstanding educational programs and initiatives for which we are known. Pioneer Elementary is very much in need of an after-school program of this kind, and the response has been phenomenal. Thanks to your support, these deserving students were able to enjoy free after-school dance classes in a positive, safe environment.

The DEA Educational Foundation is a 501(c)3 non-profit educational organization that continues to find creative and meaningful ways to educate the American public on the many costs and consequences of illicit drug usage. The DEA Educational Foundation is proud to embark on grassroots programs in America's communities through The Youth Dance Program. Your support helped us to bring The DEA YDP to students in Washington, giving students the opportunity to flex their creative muscles and learn to express themselves in a positive way through dance.

Your donation contributed to funding a program at Pioneer Elementary for the 2018-2019 school year. Pioneer has been a partner school with our organization for many years, and we are thrilled to be continuing our relationship with them. Teacher Ricki-Lyn from dance company partner Allegro Dance Academy taught weekly for 14 sessions to an enthusiastic group of 13 students. Assemblies featuring the DEA Youth Dance Program Dancers were attended by approximately 450 students. At these assemblies, dancers and instructors talk about making healthy choices, staying away from drugs, and achieving their dreams through positive life decisions. Because of the dedication of the DEA Youth Dancers, Allegro Dance Academy matched our summer scholarship contribution, allowing an incredible 13 students additional opportunities to study at their studio over the summer months for free. These young people now have a safe and fun activity during the summer months, learning more about the art and power of dance. We are grateful to Tulalip Cares for helping us bring this important program to Pioneer Elementary School!

Proud students at PIONEER ELEMENTARY SCHOOL with their Certificate of Achievement from The DEA Youth Dance Program and scholarship announcement from Allegro Dance Academy

Thank you, Tulalip Cares, for supporting these young dancers!
