Dear Ms. Sheldon,

Thank you so much for your donation to the Darrington School District, the grant allowed us to buy new High School Basketball uniforms, Logger Boys' Basketball team made it into post season and finished in 4th in the State. The Art department had an amazing year till covid hit, attached is some of the projects they completed before the lock down.

I cannot state enough how important the grant has been to our district and our students, allowing them to thrive in an ever changing world.

Most Sincerely,

Linn Brooks
