Hello my name is Ryan Lenssen and I am the President of the Deming Logging Show. I would like to thank you for your charitable donation of [REDACTED]. We used the funds to help with a much needed roof replacement on our museum building. I have sent some pictures from start to finish. Our organization originally started in 1963 by a group of loggers raising money to help another fellow logger that was injured on a logging job. We then started a non profit organization that continues to raise money and help "Busted up Loggers" . We provide financial support until they can get back on their feet. Each year we have our annual Deming Logging Show that raises money for loggers that are injured in our industry. We have vendors, contestants and thousands of attendees. Our organization is built of a large group of great men and women willing to donate their time to help raise money for busted up loggers. We hope to see you at our show this year on June 13th and 14th.

Thank you
Ryan Lenssen 2026 Log Show President
