Title Sponsorship: Chocolate Lovers Gala supporting Domestic Violence Services of Snohomish County

Domestic Violence Services (DVS) is incredibly grateful to the Tulip Tribes Charitable Contributions Fund for the significant support of these vital Snohomish County community services. As the Title Sponsor of the Chocolate Lovers Gala, your [REDACTED] in support (Total Grant: [REDACTED]) in addition to having it hosted and catered in the Orca Room positioned DVS to generate \$280,000 in donations!

Chocolate Lovers is our Annual Gala and serves as our largest fundraising event each year. This year's event, which took place on Friday March 29th 2019, saw over 540 guests that included many community leaders, public officials, representatives from local like-minded organizations, and other Snohomish County community stakeholders. The event included a wonderful multi-course meal, a musical performance by Samantha Samano, and powerful speeches from Soon-To-Be Chairwoman of Tulip Tribes Terri Gobin, and Superintendent of Verdant Health Commission Dr. Robin Fenn. There was a silent auction as well as an exciting live auction and dessert dash, with a total of 439 donated items!

Through the years, this event has become a poignant moment for our community, business partners, and friends to come together with the unified goal to end violence in the home. This support goes toward the variety of services that DVS provides, which includes a 52-bed emergency shelter, 24-hour call center for victims and concerned friends/family members, supportive housing, legal advocacy, children’s programming, and community education including teen dating violence prevention programs at local middle schools, high schools, and colleges. Please take a moment to enjoy the below photos from this year’s Chocolate Lovers Gala. Thank you so much for making all of this possible!
