Highlights of our first ever Virtual Chocolate Lover's Gala:

Our staff worked tirelessly to find innovative ways to host our events last year and in the end we had to cancel our beloved "Hope Within Luncheon" and held our annual "Handbag Luncheon" on-line in October. Nothing can replace the wonderful energy in a room at the Tulalip with 400 to 500 people, but we did raise funds for DVS.

**THANK YOU TO OUR
YEAR ROUND SPONSORS!**

We were able to recognize the Tulalip Tribes for their sponsorship throughout our five-day on-line event and in all pre- and post-event communication to over 2,000 people. The support of Tulalip Tribes was vital in helping us to fund basic needs during these unprecedented times and support our ability to provide quality and comprehensive programs and services for victims of domestic violence.

Through the years, this event has become a poignant moment for our community, business partners, and friends to come together with the unified goal to end violence in the home. In spite of the change of venues and our need for social distancing due to the pandemic, the love and commitment of our friends and community have held strong and we have been able to be the light in the darkness for victims of domestic violence and their children through innovative programs to keep them safe and help provide the path toward a brighter future.

Your support goes toward the variety of services that DVS provides, which includes a 52-bed emergency shelter, 24-hour call center for victims and concerned friends/family members, teen dating violence prevention programs at local schools, colleges and in the community.

Thank you for being a partner in our mission to end domestic abuse by providing a wide range of services for victims and facilitating social change. Together, we are making a difference.
