**DATE: November 28, 2022**

**RE: Title Events Sponsorship: Chocolate Lovers Gala, Handbag Luncheon, & Hope Within Luncheon**

Domestic Violence Services (DVS) is incredibly grateful to the Tulalip Tribes Charitable Contributions Fund for the significant support of our vital Snohomish County community services for victims of intimate partner violence. As our 2022 Title Sponsor and Gold Year-Round Sponsor of all three DVS events, your [REDACTED] helped DVS to raise \$343,385 in net revenue last year. This represents a 59% increase from our 2020 and 2021 events.

Since the impact of the COVID-19 pandemic, DVS has worked tirelessly to keep our events going and to securing extra funding to help with the loss in event revenue. Tulalip was one of the many foundations that came forward and assisted us during 2020 and continuing for our special events which help to raise unrestricted funds. Thank you!

***Highlights of our 2022 Chocolate Lover's Gala:***

- 475 attendees
- \$234,091 net revenue

Our staff has worked tirelessly to find innovative ways to host our events this past year. In addition to hosting our 2<sup>nd</sup> in-person “Chocolate and Wine Lover’s Gala,” we were delighted to also bring back in-person both our beloved “Hope Within Luncheon” and annual “Handbag Luncheon.” These events attracted 450 people raising a net \$43,385 at our “Hope Within Luncheon” and 296 people raising a net of \$55,000 at our “Handbag Luncheon.”

#### THANK YOU TO OUR YEAR ROUND SPONSORS!

The support of Tulalip Tribes is vital in helping us fund basic needs during these unprecedented times and support our ability to provide quality and comprehensive programs and services for victims of domestic violence and intimate partner violence.

Through the years, these three events have become a poignant moment for our community, business partners, and friends to come together with the unified goal to end violence in the home. In spite of the change of venues and our need for social distancing due to the pandemic, the love and commitment of our friends and community have held strong and we have been able to be the light in the darkness for victims of domestic violence and their children through innovative programs to keep them safe and help provide the path toward a brighter future.

Your support goes toward the variety of services that DVS provides, which includes a 52-bed emergency shelter, 24-hour call center for victims and concerned friends/family members, teen dating violence prevention programs at local schools, colleges and in the community, community advocacy and outreach, a new elder abuse advocacy program, supportive housing, legal support, and children’s programs. During 2021 – 22, DVS was able to directly impact the lives of 13,643 individuals impacted by intimate partner violence.

Thank you for being a partner in our mission to end domestic abuse by providing a wide range of services for victims and facilitating social change. Together, we are making a difference.
