A special THANK YOU to our year-round sponsors. The support of Tulalip Tribes is vital in helping us fund basic needs and to support our ability to provide quality comprehensive programs and services for victims of domestic violence and intimate partner violence.

Through the years, these three events have become a poignant moment for our community, business partners, and friends to come together with the unified goal to end violence in the home.

Your support goes toward the variety of services the DVSSC provides, which includes a 52-bed emergency shelter, a 24-hour call center for victims and concerned friends/family members, teen dating violence programs at local schools, colleges, in the community, community advocacy & outreach, an elder abuse advocacy program, supportive housing, legal support and children's programs. During 2023-2024, DVSSC was able to directly impact the lives of 20,124 individuals impacted by intimate partner violence.

Thank you for being a partner in our mission to end domestic abuse by providing a wide range of services for victims and facilitating social change. Together, we are making a difference.
