2026 Celebrate 18! Impact Report

Celebrate 18! is Eileen & Callie's Place's annual signature event that honors young women impacted by foster care and family instability as they transition into adulthood. Through a day of celebration, mentorship, community resources, and an inspiring benefit dinner, the event reminds each young woman that she is seen, supported, and surrounded by a community committed to her future.

Nearly three out of every four young women who registered attended Celebrate 18! this year.

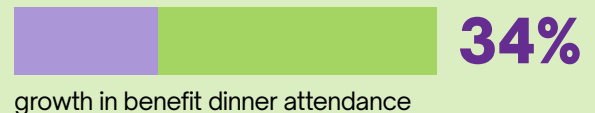

- When Celebrate 18! began in 2019, we honored six young women aging out of foster care. This year, we welcomed **more than 65 young women** impacted by foster care and family instability
- **93 young women** registered to participate in Celebrate 18!, demonstrating the growing need for a community that champions these young women in our community.
- **Almost 40%** of the young women we celebrated were also celebrating an educational milestone, reminding us that resilience and achievement can coexist.

COMMUNITY ENGAGEMENT

Resource partners joined Celebrate 18! to provide wraparound services, connecting young women to essential support in education, employment, housing, financial wellness, mental health, and other key areas as they transition into adulthood.

MENTEE TESTIMONY

“Dinner and shopping. I am so grateful for all the new clothes. It’s one of the only times I’m able to replenish my wardrobe. There really are no words for how grateful I am. It was such a blessing, and I love that you’re able to hold this event for us girls. Not only did it make me feel like an individual rather than a statistic, I was able to chat with my friends I’ve made through Eileen & Callie’s Place, feel special, and feel a place of belonging.”

- ECP Mentee

Each young woman has access to our free boutique, where she can build a wardrobe for every occasion, from everyday essentials to formal attire, so she can step into every opportunity with confidence. **Scan the QR code to see a full event recap!**
