## EvergreenHealth Hospice Care

### Grief & Bereavement Program Report

Grant Code: Q4 202414.2

Submitted to: msheldon@tulaliptribes-nsn.gov

Website: www.evergreenhealthfoundation.com

---

## Overview

EvergreenHealth Hospice Care extends its deepest gratitude to the **Tulalip Tribes Charitable Contributions Program** for the generous **Community Grant** supporting our **Grief and Bereavement Program**. This funding allows us to continue providing compassionate support for individuals and families navigating loss—offering connection, understanding, and healing during life's most vulnerable times.

The Grief and Bereavement Program is a **non-compensated service** offered to bereaved families for **13 months following the loss of a loved one**. This program provides an essential continuum of care, ensuring that families are supported well beyond the end of hospice services.

---

## Program Impact (May – October 2025)

### Bereavement Outreach

- **6,973 letters and cards sent** — including condolence cards, Rose Garden mailings, and bereavement letters at 1, 3, 6, 9, and 11 months following a loss.

### Individual Support

- **62 one-on-one counseling sessions** provided by trained grief counselors.
- **964 supportive phone calls** offering guidance, comfort, and resources.

### Group Support

- Our bereavement services continue to provide meaningful support for individuals and families navigating loss. Over the past year, we've offered a variety of group sessions and special programs designed to foster connection, healing, and reflection. In total, **we held 54 sessions** and **served approximately 420 participants** through the following offerings:
- **Programs included:**
  1. **Grief 101** — 6 sessions, averaging 15 participants per session (≈90 total)
  2. **Parent Loss Support Group** — 1 session, 12 participants
  3. **Till Death Do Us Part** — 19 sessions, averaging 8 participants per session (≈152 total)
  4. **Navigating Through Grief** — 6 sessions, averaging 8 participants per session (≈48 total)
  5. **Mindfulness Meditation** — 6 sessions, averaging 1 participant per session (≈6 total)
  6. **Support for Family Members** — 16 sessions, averaging 2 participants per session (≈32 total)
  7. **Rose Garden Memorial Ceremony** — 200 participants

**Total: 54 sessions | ≈420 participants**

## Community Reach

Between May and October 2025, our bereavement services reached **approximately 8,200 individuals and families** through letters, phone calls, counseling sessions, and group programs. Each touchpoint represents a moment of care, compassion and connection, helping our community find comfort and meaning after loss.

## Use of Funds

Funding from the **Tulalip Tribes Charitable Contributions Program** directly supported:

- Program materials and grief literature
- Postage for outreach mailings
- Supplies for support group facilitation

These resources ensure that families continue to receive compassionate follow-up and emotional support—no matter where they are in their grief journey.

## Acknowledgment

We are honored to partner with the **Tulalip Tribes Charitable Contributions Program** in advancing health, healing, and community well-being. Your investment in grief and bereavement care makes a profound difference for families across **King and Snohomish County and beyond**.
