Grant report Q2 2015 14.2

Dear Ms Sheldon,

On behalf of the Family Support Center of South Sound, I would like to thank the Tulalip tribe for their contribution to the Family Resource Services Navigator program for the 2015 program year. The Family Resource Services Navigator program is a critical resource in our community which connects families with access to a wide variety of programs and services to support raising happy, safe, and healthy children. The [REDACTED] contribution provided by the Tulalip tribe assisted the agency in serving a total of 1,123 families with children during the program year.

Through this program, 774 children gained access to high quality child centered enrichment and family engagement activities such as family cooking classes, arts and craft nights, and sports activities. 247 parents had an opportunity to gain new parenting skills and develop social connections with other families through participation in parenting education classes on topics such as the ages and stages of development, sibling rivalry, emotional intelligence, parenting teenagers. Staff provided eviction prevention services to 276 families resulting in 725 children and 158 adults maintaining their housing when it seemed homelessness was imminent.

Thank you so much for investing in the Family Support Centers Family Resource Services Navigator program. Your generous gift has made a true lasting impact on the families and children in our community.

Sincerely,

Trish Gregory
