**First-In Training and Education**

**Mailing Address:**  
P.O. Box 550  
Bothell, WA 98041

**Contact:**  
(360) 631-0123  
<https://fitefire.org>

## Organization's General Goals:

We exist to raise up a generation of young people that live to serve their communities. Whether it is in the field of firefighting, emergency medicine or something altogether different, helping students pursue a career or passion is our absolute goal.

While a large portion of our students go on to work in the fire service, we also see students seek opportunities in the military, medical fields, or general services. We celebrate each and every success as the students chase after their dreams.

<b>Date of Award:</b>	<b>Level:</b>
2020 Q3	\$2,501 to \$5,000

For more information, please read the attached report from First-In Training and Education.

RE: Charitable Contribution Fund Q3 2020 14.2

Dear Tulalip Tribes Charitable Contribution Council,

We would like to thank the Council for their continued support of our First-In Training and Education (FITE) programs for youth throughout Western WA. Our programs are in five (5) different locations that impact 160+ students and 5 instructors each school day. The sanitizing supplies & face masks we were able to provide our classrooms have aided in keeping our students healthy and able to take part in a hands-on classroom experience. We were also able to help fund an additional Resusci Anne QCPR AED trainer to be used to practice CPR training. With two Resusci Anne Trainers our instructors can split the students up into smaller groups to be within the mandatory school district COVID-19 protocols.

Here at FITE we strive daily to provide a SAFE, HEALTHY, CHALLENGING and MOTIVATING atmosphere for ALL our students. We would love to be invited to any community outreach for youth that Tulalip Tribes take part in. Please feel free to contact us with any questions you might have.

With all our gratitude,

Jack Greaves  
Executive Director
