Dear Marilyn,

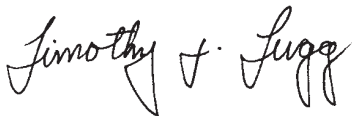

On behalf of the student body and staff we want to express our gratitude for your contribution of \$ [REDACTED], in 2017, to Grace Academy for the replacement of the gym floor. We have been in phase one of our new gym addition and gym floor replacement.

The new gym addition opened January 2020 and has been used for student learning ever since.

Phase Two was started last summer with the demolishing of the old floor and replacement of the gym floor. We played our first basketball game on the new wood floor on December 13, 2021. Our Physical Education classes are able to resume their classes on the new floor as well! It's a wonderful addition to our school.

Marilyn, please convey to the Tulalip Tribes Council that we greatly appreciate the part the Tribes has had in enhancing Grace Academy's ability to serve the community through the new gym floor. 370 students have been impacted by the use of this new floor.

In Christ's Service,

Timothy J. Lugg
