Dear Ms. Sheldon:

We greatly appreciate the Tulalip Tribe of Indians' generous grant of [REDACTED] to Greater Lakes Mental Healthcare (Code **Q3 2017 14.2**), which we received in December of 2017. The grant was expended between January 1 and May 31, and was used to assist **41** people experiencing urgent financial needs.

Your grant allowed us to provide clients with basic needs such as food, shelter, medication and transportation, and this assistance was critical to keeping them on the path to recovery. Below is a table of the categories and amounts of the grant expenditures, and I am happy to provide more detail if you wish. As requested, I have attached photos of a few clients who were assisted by the Emergency Needs Fund.
