Dear Marilyn,

Thank you so much for including the Haring Center as a part of Tulalip Tribes Charitable Contributions annual grant! We are grateful and thrilled to have your support.

The Haring Center provides support to 235+ children with and without disabilities, and their families every year. Furthermore, we support over 2,500 educators annually (3,100 last year!), who in turn support families and students around Seattle, the Puget Sound, Washington State, the US and beyond.

With your help, we were able to reach our goal of \$800,000, bridging the gap between government contracts for our services and the cost to run our school.

You can learn more about the Haring Center at [haringcenter.org](http://haringcenter.org).

Sincerely,

Amy Thickpenny Flinn
