Re: Q1 2018 14.2

Dear Ms. Sheldon:

We are so grateful for your donation to our work. Here is how we spent your donated funds:

Payment of rent	████████
Payment of storage fees	████████
Payment of electricity	████████
Payment for propane	████████

We served a total of six individuals using your funds. Although we do not ask people for their ethnicity two of the six individuals self-identified as Native Americans.

Through September 30 we have given financial assistance to a total of 482 people and have had contact with 1035. Those not given financial assistance received referrals, non-financial assistance and personal hygiene products.
