Re: Q2 2019 14.2

Dear Ms. Sheldon:

Thank you so much for the support Tulalip Tribes has given our work the last two years.

The total number of people we have served YTD through the end of November is 1068. 568 of them received some financial assistance and the rest were referred to other agencies or given other types of assistance such as sleeping bags, tents, toiletries, or clothing vouchers.

The money you gave us was used to help five adults and five children. A couple of the clients are disabled, one was recently widowed with three children, two were seniors and all were in need of assistance to maintain their well-being. The distribution of the money was:

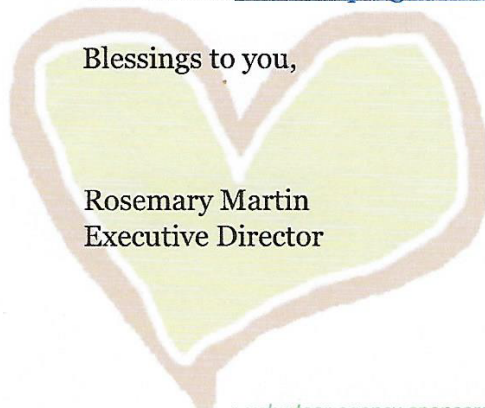

Rent	-	██████████
Water	-	██████████
Propane	-	██████████
Auto Repair	-	██████████ (partial payment)

I hope you can understand that due to the confidentiality of our work I do not have any pictures to share with you.
