Tulalip Tribes Charitable Contribution Report

His Heart Foundation

Q4 2020 14.2

With the funds that Tulalip Tribes provided His Heart Foundation (HHF), HHF was able to put the money towards an intake specialist. This specialist takes calls and helps coordinate, those with mental health needs that have been referred to us, to a vetted faith-based counselor that specializes in their area of need. This is a timely and sensitive process, and we can't thank you enough for your assistance. This year we have seen a rise in counselor referral request by over 50% from last year due to the effects of the pandemic.

In 2021 the number of individuals impacted by His Heart Foundation were 1059 to date as of November 23, 2021
