

Tulalip Charitable Contributions Funds Distribution Report

NAME OF AGENCY: Honorworks

ADDRESS: 2000 Bakerview Road, Bellingham, WA

CONTACT: (360) 630-9271; <http://www.honorworks.net>

GENERAL GOALS: HonorWorks is a local nonprofit organization whose mission is to create opportunities for individuals and organizations, especially those in need, to maximize their potential through Art and Education. This mission is fulfilled through key programs and initiatives focused on education, and culture and community:

SPECIFIC USE FOR THIS AWARD:

HonorWorks is a non-profit organization whose work is based on Swil Kanim, a classically-trained Native American violinist and storyteller. Throughout much of his life, Swil Kanim struggled with the pain and suffering often experienced by those of underserved and marginalized populations.

With a violin as his guide, Swil Kanim experienced the transformative power of Honor and recognized its potential to fundamentally change lives in a positive way, as it had done for him. Since then, Swil Kanim has dedicated his life to bringing that same possibility of positive transformation to individuals through his music and storytelling.

Similarly, HonorWorks strives to bring the transformative power of Honor to the community by producing enriching educational, cultural, and artistic programs and events that promote multiculturalism, cultural empathy, and self-value.

For more information see the attached pages from Honorworks.
