Dear Tulalip Tribes,

On behalf of Hope Theatre Group, I am writing to express our sincere gratitude for your generous grant of [REDACTED] to help us purchase our storage shed. Your support has already made a significant impact on the quality of our productions and the experience we provide to our audience.

With this grant, we were able to upgrade our production, fabrication, and storage space. We're now running 3 shows a year, plus classes twice a season. The space we had, while generously donated, didn't have a space for our tech team to build and store their materials. This shed has given so many kids so many opportunities to work at their craft - and you made that happen. This space will get used by our theatre group for productions and years to come.

Your commitment to supporting local arts organizations like ours is truly commendable. By investing in Hope Theatre Group, you are helping to foster creativity, culture, and community engagement in our area. We are honored to have the support of the Tulalip Tribes and deeply appreciate your recognition of the importance of the arts in our community.

We look forward to inviting you to our upcoming production of Descendants (January 23, 24, 25, 30, 31, and Feb 1) so you can see firsthand the positive impact your generosity has had on our productions. Your support will be on our website, ensuring that our patrons are aware of your valuable contribution to our success.

Thank you once again for your generosity and belief in our mission. Your support will help us continue to bring the joy of theatre to our community for years to come.

With heartfelt appreciation,

Sincerely,  
Bill Walles
