GENERAL GOALS: Hopelink is a community action agency that has served homeless and low-income families, children, seniors and people with disabilities since 1971. The agency has five multi-purpose service centers, and five housing sites throughout north and east King County.

SPECIFIC USE FOR THIS AWARD:

All of the funds were expended as outlined in our grant application in support of our Community Services food bank program. I have attached a few photos of one of our heavily used Kirkland/Northshore food bank. In fiscal year 2015, we served 14,754 unduplicated individuals from 6,218 families with 3,614,851 pounds of food. As part of our food bank program, we distribute emergency food bags (e-bags) to families in dire circumstances outside of our regular food banks. We distributed 5,771 e-bags to 2,768 individuals from 1,662 families. We could not have done this without your support..
