RE: Q3 2025 14.2

Imagine Housing is grateful for the generous grant provided by the Tulalip Tribes in January of 2026. This support for our Resident Services Program helps over 1,500 people of all ages and backgrounds with access to on-site case management supports including basic needs supplies, food support, community resources, and engagement opportunities. Over 90% of Imagine Housing residents were able to maintain their housing for 12 months.

Number of Residents served = 1,572

As we look to the future, we have three projects in development, adding another 400 units of housing in the next 5 years. We are also partnering to provide resident services at a 170-unit, senior-only site that opened earlier this year in Kirkland.
