Re: Final Report Code Q3 2024 14.2

Dear Tulalip Tribes Charitable Contributions Team,

On behalf of Jubilee Women's Center, thank you for your generous support of our general operations during our 2024–2025 fiscal year (September 2024–August 2025). We are grateful for the opportunity to report back on the impact of your investment in the women we serve.

Jubilee supports women experiencing unstable housing and economic hardship. Using a trauma-informed approach, our programs address the complex factors that lead to housing instability and help participants make meaningful, lasting changes. With your funding, we provided safe affordable housing and individualized case management to approximately 48 women. An additional 400 women received access to our free community clothing boutique.

Your support strengthens our capacity to offer comprehensive, relationship-based services that empower women to achieve stability, regain confidence, and transition to independent living.

Should you need any additional information, please feel free to contact us. More information about our work can be found at <https://jwcenter.org>.

Thank you again for your partnership and commitment to women rebuilding their lives.

With gratitude,

Elizabeth Richmond
Development Director
