Grant Report: Tulalip Tribes Charitable Contributions
Code: Q1 2019 14.2
November 18, 2019

Date of Grant: May 26, 2019
Amount of Grant:
Purpose of Grant: More sustainable community

How the grant was utilized: This grant supported the following women and minorities, the cost of training and job placement into high paying tech jobs. All these women were in desperate need of jobs to provide support for themselves and their family. Through this sponsorship they were able to receive free training at Kal Academy and land in high paying jobs in less than five months.

1. **Temitayo Fagbami**: Took the following courses at Kal Academy Algorithms and Data structures ($420), Software Development Deep stack program ($2500) and landed an internship opportunity with Microsoft after the program.

2. **<u>Kina Nargang</u>**: Took the following courses at Kal Academy – Algorithms and Data Structures ($420) and Artificial Intelligence Deep Stack bootcamp program ($2500) and landed in an internship opportunity at Microsoft.

Thank you again for your financial contribution to empower more women into technology.

Sincerely,

V. Kalpana
