Dear Ms. Sheldon,

I want to express my most sincere thanks for the generous contribution provided by the Tulalip Tribes Charitable Contributions Fund. With this donation, we were able to provide 2 new cameras for the back of our complex, 4 replacement cameras and the networking equipment for monitoring our facility while on campus and away. We have 80 plus senior residents who rely on Lincoln Hill Retirement Community to provide a safe and comfortable home. The safety of our residents is extremely important and with this system in place we are able to provide information to law enforcement when unforeseen circumstances arise. It makes our residents feel safer and it makes our staff and visitors feel safer. Below is an image of each camera angle provided by this system.

Thank you again so much for your valuable donation.

Sincerely,
Deborah Jean Thompson
