RE: Q4 2018 14.2

Dear Ms. Sheldon:

Little Bit Therapeutic Riding Center is grateful for the [REDACTED] sponsorship received in April 2019 from Tulalip Tribes Charitable Contributions Fund in support of our annual auction. We are honored to be the recipient of your generous support.

The funding received from the Tulalip Tribes was applied to sponsor our largest fundraising event of the year – the 34th Annual Reins of Life Auction. The auction was held on March 16th at the Seattle Marriott Bellevue. The auction was an opportunity for us to welcome old and new friends to support the work of Little Bit throughout the evening including dinner and a silent and live auction. There were 302 individuals at the event, an increase over 2018 and 2017.

With your help, we raised over **\$372,800** to help Little Bit continue offering life-changing equine-assisted therapies and activities. Funds raised at this event in 2018 made it possible to serve **623 children and adults with disabilities**, also a significant increase compared to prior years.

The night was highlighted by the mission video featuring Jacob, now age four, diagnosed with cerebral palsy who has been riding at Little Bit for two years. He started with physical therapy, to help strengthen his core muscles and improve his balance among other benefits. Jacob can now crawl and can trot with his horse Zorro around the arena. He lights up our office each week as he comes down the hall smiling! The video link is included in the email for you to enjoy. The email will also include pictures of the event.

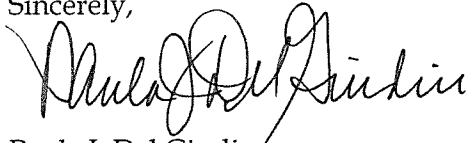

You received these benefits:

- Company logo on event invitations
- Company logo on all event emails
- Company logo on exterior banner displayed at Little Bit April and May
- Full-color, full-page ad in auction catalog
- Verbal recognition during event
- Company logo on Live Auction introductory screens
- Company logo on event websites
- Company logo on event day signage
- Company logo printed on all event bar napkins

We placed your logo, along with the other sponsors, on a banner acknowledging your support, close to our front door at Little Bit for all to see; the banner will remain on display until mid-June. Our 1,194 volunteers and workgroups walk past that banner on their way to help our participants and horses or maintain our facility. We are so grateful for your support to help make our auction a success.

We are honored by your partnership and greatly admire your service in the community. Thank you for joining Little Bit in changing the lives of children and adults with disabilities through equine-assisted therapies and activities. You have made a difference!

Sincerely,

Paula J. Del Giudice
