## Little Bit Therapeutic Riding Center 37<sup>th</sup> Annual Reins of Life Gala Auction

Prepared for Tulalip Tribes Charitable Contributions: Q2 2021 14.2

On Saturday, April 23, 2022, Little Bit welcomed nearly 200 Little Bit supporters, volunteers, and staff to the Seattle Marriott Bellevue, in person for the first time since 2019, to learn about Little Bit, celebrate our patients' and riders' accomplishments, and raise funds for individuals with disabilities and their families.

Thank you for being an auction sponsor! Your support helped offset the cost of the auction, allowing the most funds possible to be used for operating support of our programs and services. Thanks to our generous community, we raised over \$487,000, a record-breaking year! These funds offset the cost of every Therapy session and Adaptive Riding lesson, to keep our life-changing services affordable for those who need them most. Your contribution was recognized before and during the event on our website, social media, in printed and promotional materials, and will be included in our 2021 Annual Report.

Little Bit is a community where horses transform the bodies, minds, and spirits of people with disabilities. In 2021, Little Bit provided equine-assisted services to 474 unduplicated children and adults across all our programs, and we continue to work our way through pandemic-related challenges and back to regular services levels (655 in 2019). To learn more about our mission and services, we invite you to watch Scarlett and Lily's video at <https://www.youtube.com/watch?v=ulAUArjmwa0>.

**3<sup>rd</sup> Annual Links for Little Bit Golf Tournament**  
Prepared for Tulalip Tribes Charitable Contributions: Q2 2021 14.2

On Monday, August 1, 2022, Little Bit welcomed 80 golfers to The Plateau Club in Sammamish, including a foursome from Tulalip Tribes, and 85 guests to our After Tournament Party. This event celebrated Little Bit and our community and helped raise funds to support individuals with disabilities and their families. In its third year, the event continues to develop as we continue to learn how we can maximize this opportunity to grow community while raising vital funding. The event has brought new corporate and individual community members to Little Bit, which is one of our primary goals for the event.

Thank you for being a sponsor of our golf tournament! Your support helped offset the cost of the event, allowing the most funds possible to be used for operating support of our programs and services. Thanks to our generous community, we raised a gross total of over \$39,000. These funds offset the cost of every Therapy session and Adaptive Riding lesson, to keep our life-changing services affordable for those who need them most. Your contribution was recognized before, during, and after the event on our website, social media, via email, and in printed and promotional materials. Your name was also included in Little Bit's donor list in our 2021 Annual Report, which can be found at [www.littlebit.org/reports](http://www.littlebit.org/reports).
