Little Bit Therapeutic Riding Center 5th Annual Links for Little Bit Golf Tournament Q3 2023 14.2

On Thursday, August 15, 2024, Little Bit welcomed over 120 golfers to the Mount Si Golf Course in Snoqualmie for an incredible day full of golf, games, and community. This event brings together individuals, families, companies, and Little Bit staff, volunteers, and some participants, to enjoy an exciting day with incredible views, all while learning about the Little Bit mission and raising funds to help transform the lives of people with disabilities in our community.

Thank you for being a sponsor of our golf tournament! Your support helped offset the cost of the event, allowing the most funds possible to be used for operating support of our programs and services. Thanks to our generous community, we have raised a preliminary gross total of over \$58,000! These funds offset the cost of every Therapy session and Adaptive Riding lesson, to keep our life-changing services affordable for those who need them most. Your contribution was recognized before, during and after the event on our website, emails and printed materials. You will be recognized as a donor in our 2024 Annual Report.
