Little Bit Therapeutic Riding Center
Sixth Annual Links for Little Bit Golf Tournament
Q3 2024 14.2

On Thursday, August 14, 2025, Little Bit welcomed over 100 players to the Mount Si Golf Course in Snoqualmie for a fun day full of golf, games, and community.

Thank you for being a sponsor of our golf tournament! Your support helped offset the cost of the event, allowing the most funds possible to be used for operating support of Little Bit services. Funds raised at the event support Little Bit services year-round and help to keep the cost of every Therapy treatment and Adaptive Riding lesson as low as possible for our families, currently less than 35 percent of the actual cost. Together, we raised a preliminary gross total of over \$50,000!

We are grateful to bring individuals, families, and companies, together with Little Bit staff, volunteers, and some participants, to learn about and celebrate Little Bit's life-changing services and the families whose lives are transformed by the Little Bit mission. Your contribution was recognized before, during, and after the event on our website, in emails, and in printed materials. You will also be recognized as a donor in our 2025 Annual Report.

Little Bit is a community where horses transform the bodies, minds, and spirits of people with disabilities. In 2024, Little Bit provided equine-assisted services to 500 children and adults across all our programs, including Violet, who is pictured below and whose story we shared at the event, and Jason, whose story can be found at <https://www.youtube.com/watch?v=cgifWVj9RN8>.
