The grant funds received through the **Tulalip Tribes Charitable Contributions** were used during the summer to purchase new clothing and essential items in preparation for the opening of the **Bright Start program on September 11, 2026**. Purchasing these items in advance allowed Luma NW to have a well-stocked selection of clothing ready for students when Bright Start opened, ensuring that local children and teens could receive the new clothing they needed at the beginning of the school year. The generous support of the Tulalip Tribes directly contributed to our ability to prepare and serve students in the Marysville/Tulalip community.

Sincerely,

Judi Drake
