Marilyn,

Thank you again for including me in your wonderful Raising Hands 2018 Celebration. The Lupus Foundation of America is grateful to the Tulalip Tribe for their generous support of the 2018 Walk To End Lupus Now in Seattle and we want to thank you for your continued support of the Foundation and the lupus community. This year we raised over \$80,000 with 370 participants and achieved our goal of increasing awareness of lupus throughout the Pacific Northwest. **The estimated recipients in our community impacted by the outreach you supported is 25,000 people.** This would not have been possible without your support. You help us achieve our mission of improving the quality of life for all people affected by lupus through programs of research, education, support, and advocacy. Thank you so much for your generosity and continued partnership with the Lupus Foundation of America.

Your sponsorship of this event at [REDACTED] offered an array of benefits.
