RE: Code Q4 2025 14.2

Attn: Marilyn Sheldon

Dear Ms. Sheldon,

We are so excited to report that our expansion project at our Women's Transition Home is now complete. Due in part to your generous grant, we were able to paint, put in new flooring throughout the space and re-carpet the stairs. We also created a beautiful dressing room for our residents with new closet space and personal vanities. New furniture throughout the space competes it wonderfully. We believe this space will bless our ladies as they work through our program and learn to live life in freedom from addiction.

Our ministry, as a whole, supports approximately 50 persons per year. This includes our men's program, women's program and twice-monthly Connect meetings.

As you may know, on June 1, 2024, our women's program began rather small, serving just two women. This expansion project doubled our capacity to four women but over the years will impact many.

We are enclosing before and after pictures of our project. We already have a resident in the new space and she is loving it!

Your financial assistance in this project is most appreciated!
