Dear Marilyn,

Thank you for your incredible generosity! We, at Millennia Ministries, greatly appreciate your generosity, partnership, and investment in our community. Your \$[REDACTED] Tulalip Cares Fund contribution helped to further our mission of ending homelessness and food insufficiency through projects such as “*Mobile Manna*” our monthly seniors and low-income apartment complex grocery deliveries and “*Moving from Surviving Into Thriving*” our crisis, transitional and permanent housing advocacy program.

During this holiday season we were able to deliver groceries, turkeys, Christmas toys and gifts to over 1,000 families in addition to our regular 1,200 households receiving monthly grocery deliveries. Making the total families fed this year at nearly 5,000!

Through our work with The Everett Public School District and Washington Kids In Transition program, we provided advocacy, case management and resources necessary to house over 100 families with school aged children in transitional and permanent housing.

We couldn't have done it without you and together we are clearly making a difference! Your support is invaluable to us, thank you again!

If you have specific questions about our community involvement, be sure to visit our website www.millenniaministries.org or reach out me personally.

Sincerely,

Leonard Jackson Jr.
