Re: Grant Report **Q1 2018 14.2**

Dear Ms. Sheldon and trustees,

Thank you so kindly for your Tulalip Cares charitable grant awarded to Moisture Festival of [REDACTED] for our 2018 festival operating expenses supporting 47 events (shows, Tent Talks, workshops).

Moisture Festival relies heavily on fundraising and community support to bring these 200+ world-class artists together to create the joy and wonder that is the Moisture Festival. Ticket sales provided 47% of the revenues for the festival in 2018. Artists stayed in volunteer homes. 80-90 artists per day got a free hot meal on show days. 20 volunteers provided free transportation to the artists.

Your foundation helped bring the 2018 festival to life, securing the biggest variety arts festivals as an important part of the Pacific Northwest's cultural vitality. The 2018 festival is now complete and we able to pay our bills and *remain in the black* by the end of our fiscal year, June 30<sup>th</sup>. Your funds are much needed and are well spent, leveraged by the generosity of their time by our volunteers and other broad community support.

On opening night, our host acknowledged from the stage that the festival takes place on traditional native lands and that we are grateful to be here.

Here is a 3 minute video clip of the 2018 festival to copy in your browser and enjoy a taste of our comedy/variete: <https://vimeo.com/267157667>

We are humbled and so very appreciative of your foundation's support.
