Dear Tulalip Tribes Charitable Contributions:

I would like to express my sincere gratitude for the \$[REDACTED] grant awarded to the City of Monroe for the purchase of Automated External Defibrillators (AEDs) for patrol vehicles.

Your generous gift has assisted the department in outfitting the patrol vehicles with an AED device which is a critical tool to save lives. Police Officers are often the first to arrive to an emergency before aid arrives and if the defibrillator is used on a child or adult in cardiac arrest, their chance of survival is higher.

The City of Monroe welcomes donations and has in place accounting and reporting procedures to ensure all donations are used for their intended purpose. Please find attached pictures of our department training on the use of the AEDs and the installation.

Please accept my personal thanks for your support and kindness.

Sincerely,

Jeffrey D. Jolley  
Chief of Police
