RE: Report on 2018-2019 Funding Cycles

Dear Marilyn,

On behalf of the Board of Trustees and staff at Museum of Glass, thank you again for the gift of \$ [REDACTED] from the Tulalip Tribes Charitable Fund in support of *Translations: An Exploration of Northwest Native Carvers and Weavers*. I have enclosed some informal photographs so that Your Board can see how highly talented these Coast-Salish artists are. Each of these pieces was made in the Museum of Glass Hot Shop during a Visiting Artist Residency in 2015.

I am also including some photographs of the artwork made by K-12 students who participated in *Tell Me A Story*, as part of Creating Connections, our educational touring program. The Tulalip Tribes Charitable Fund was also generous enough to support *Tell Me a Story*, which ran over the last two years. *Tell Me a Story* introduced more than 12,000 children to the Indigenous tradition of storytelling and its importance in linking one generation to another. Our Education Studio is bursting with colorful artwork and weavings inspired by *Tell Me a Story* and by the Native art works we have had on display in 2019.

We truly appreciate the support of the Tulalip Tribes Charitable Fund.

Warm regards,

A handwritten signature in black ink that reads "Debbie Lenk".
