Greetings Marilyn,

I hope this email finds you doing well. I'm writing today to update you on the spending of the \$█████ grant that MustLuvBoxers Rescue was awarded in 2024 by the Tulalip Tribes Council.

The first project that a portion of the funds were used for was to purchase and set up two outdoor kennels to replace the old ones that were already on the property. The second project, where the remaining funds were spent, was putting up new 6' fencing in the backyard area, and having all of the old fencing taken down and disposed of. This project was just finished a month or so ago and we are thrilled with how it turned out. Before and after photos are attached so that you can see the progress.

Our Rescue Center is slowly but surely coming to life. On our "to-do" list for this year is to demolish the old barn and replace it with a large barn-style shed which will then be customized on the inside to have 3 to 4 indoor/outdoor kennels. We hope to have that completed by the end of 2025 and then we can start welcoming dogs into the Rescue Center.

Thank you again for your generous grant; the money was so helpful in getting both of these projects completed. If you have any questions, please let me know.

Sincerely,

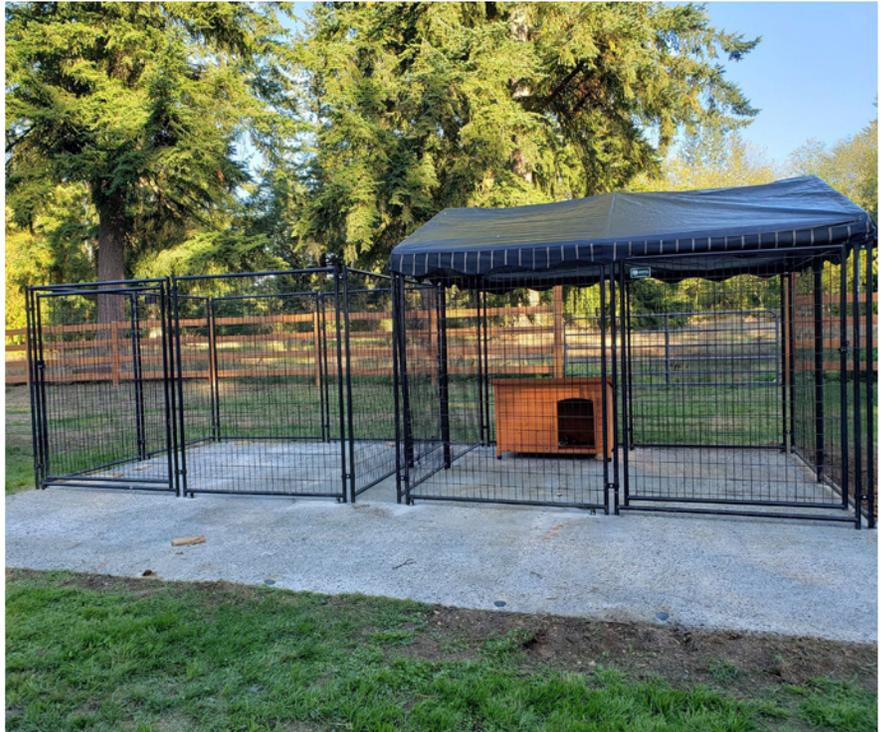

Chris Zanassi
