Dear Ms. Sheldon:

Thank you so much for your grant to the Northshore Performing Arts Foundation for our 2018-2019 season. With your help, we were able to offer a wide variety of programming for over 6,000 residents of the Northshore community. Our shows ranged from Step Afrika (an African stepping troupe showcasing African traditional dance) to the Broadway Princess Party, the Kingston Trio, the Seattle Rock Orchestra and more. Three of the ten performing groups are based on the Seattle area and we drew audience members from as far away as Portland, OR and Vancouver, BC.

Because of the success of this past season we are moving forward with our 2019-2020 season that features a Native Hawaiian performance, three more locally-based performers, three shows focused on African-American art forms and shows for the entire family. You can learn more about our upcoming season at [www.npacf.org](http://www.npacf.org)

I have attached photos taken during our last season and hope you enjoy them.

I look forward to meeting you at Raising Hands in October.

Thank you again for your generosity.

Sincerely,

**John Lehrack**
