NORTHWEST THERAPEUTIC RIDING CENTER

2018 'Raise the Roof' Tulalip Cares Charitable Contributions Grant Report

Grant Code: Q1 2018 14.2

The funds from Tulalip Cares were used to replace NorthWest Therapeutic Riding Center's 40-year-old barn roof. The barn includes our tack room, feed room, bathroom, hay storage and houses four of our therapy horses. The new roof is insulated, provides more natural light and ensures the health of our horses by protecting feed and hay (reducing mold & dust) and our valuable lesson equipment.

We are excited to report that the barn roof no longer leaks, has improved natural light, and insulation that cools the barn in the summer and keeps it warmer in the winter.
