**GENERAL GOALS:** Operation Nightwatch is an interdenominational Christian ministry serving the poor and homeless. In order to help people to attain their highest level of self-reliance we provide: spiritual care and hope for the community at night, compassionate relief and shelter placement for homeless women, men, and children, as well as other relief services.

**SPECIFIC USE FOR THIS AWARD:**

Thank you so much for your continued support of the work we are doing at Operation Nightwatch! With your help, we served a total of 4,560 people during the month of May; providing a meal and shelter for the night; and offering care and hope. 2,334 were men who went to our shelter located in the Pearl Warren building, which is owned by the Seattle Indian Services Commission. Without your help, all of those folks would have been out on the streets.
